Lisa Hale McCullough & Family, Meg & I are down visiting Mom & Mikey right now, but heard of your loss from both Brian & Aunt Jeanine. On a personal note...Lisa, my mind drifts back to MANY weekend nights of Slumber parties over at your Dad\'s & numerous other encounters with your Dad growing up. I don\'t know if you ever knew it, but anytime I was around your Dad...I always felt closer to my Dad. I loved watching you two interact, you know...that "Daddy\'s Little Girl" thing. Your Dad was a very special person & I want to Thank you for sharing him with me! Even though we are unable to be there with you physically, please know that we are there in our thoughts!
