PS

Dear Lisa, When I saw your mothers's obituary and picture in the paper, I was sad but, it brought back lots of good memories for me. I remember fondly the sleepovers at your house, dinners out at restaurants not something my family did on Friday nights and cleaning house on Saturday mornings. Your parents were always so kind and I always had a lot of fun. I am sorry that other commitments will keep me from the service or showing but, I wanted to let you know I was thinking of you. Your mother still looked very young in the picture...quite a bit like she did back in the day. I hope this finds you well. Sincerely, Pam
