“ I know that this is LONG overdue but i just want to express my feelings about the most wonderful person i had ever met in my entire life. 6 months after her leaving her family and friends it still seem so new to me. Amber and I were together all the time. Loosing her, I feel like I have lost a limb. Amber was an incredible person. She was very loving and kind. I remember the good times we shared walking through walmart at 3 am or eating at white castle when we should have been at home sleeping and laughing so hard we couldnt breath! Amber was and always will be my sister. I loved her dearly and words cannot express how much I miss her as well as her family. Much love to you AMBER RENE. I feel u watching over me daily. Thank you for your guidance over me. I love you girlie..FOREVER YOUR BEST FRIEND

“ I had the pleasure of working with Amber over twelve years ago at what was then called AdminaStar Federal in Indianapolis. I was Amber?s new manager at the time and quickly learned what a kind individual she was and with such a huge heart. She was very dedicated and always gave her best. My sincere condolences to her family. May God Bless. Wendy Mayfield

“ I am very saddened for your loss and pray for comfort during this sorrowful time. I worked with Amber years ago at ASF in Indy. We had a lot of fun working together. She had such a sweet spirit and never met a stranger. She will be greatly missed by all who knew & loved her. She is with her Heavenly Father now!

“ As children we laughed and shared all things. As adults we may have gone our separate ways but Amber ALWAYS remained in my thoughts and prayers. Nothing will ever change that Amber will always be in my heart, in my thoughts and in my prayers Rachel

“ I am so sad to hear of Amber's passing. I grew up with her and Chad in the neighborhood across from Running Springs apartments. Joan, Chad and family you are in my prayers. I hope that God helps you through this difficult time. Brian Mains & Family

“ Amber was always part of our group from middle school and all through high school. I have lots of great memories of that time in my life, and regret that we lost touch over the years. My condolences to her family and friends. Rest in peace Amber!
