“ So sorry to hear about Aunt Betty. I'm thankful to have seen her (and you, Sheila) over recent years. She was a sweet lady and I remember the regular "date nights" the sisters and husbands used to have -- out to dinner and then back home for game playing (Aggravation was a favorite). Condolences to all the family and friends. --

“ Dear family members, especially Sheila Shannon,  
It is with sympathy that I write to you. I wish to recognize Sheila and her selfless caregiving of your mother, grandmother and or friend of many.  
Sheila honored her/your mother by endless days and hours of loving care.

May you cherish those precious memories you have shared with her.

A friend of Bette and Sheila
