“ While Jane & Broc were in HR Block tax course last fall, found that we were distant cousins. We were looking forward to getting together this summer and sharing information. Enjoyed his friendship, had a lot of good times the short time we knew him. Broc will be forever in our memories. Was so looking forward to working with him again next tax season. He will be greatly missed. So happy he was able to fulfill his dream. He was so looking forward to the ride. Our sympathies are with the family.

“ A good friend for nearly 30 years. I would not still be working at Delphi had it not been for his guidance and mentoring. I will miss him dearly. We worked on projects as Sanford and sons after his retirement and what ever we did we always laughed alot. He always thought a good sense of humor was a sign of intelligence. I will quote "BROCISMS" the rest of my life. He was a good philosopher and an honest man.

“ I worked with Broc at Delphi for many years. Broc was outstanding in his profession and more importantly, an excellent, caring person whom I considered a friend. It deeply saddens me to know I won't hear his great sense of humor any longer. My prayers to all his loved ones.

“ To Broc's Family, I worked with Broc at Delphi for many years and always enjoyed his humor. You can't think about Broc without smiling or laughing! Many stories and memories come to mind. “ It is hard to believe that our friend is gone. At one time, he was my supervisor at Delphi?one of the best?but later the relationship turned to friendship. It was Broc who encouraged me to start jogging. I will remember his sense of humor and the fun and the laughs we had. The Get-Togethers at Shouts and sometimes seeing him at Aqua Gardens and walking with him are some of my fondest memories. He will truly be missed. To Patricia, Leah and Family, my heartfelt condolences to you all. May God sustain you during this time.

“ Patricia and Family, I knew Broc thru work and also thru running. He was a fine person and I always enjoyed seeing and talking with him. He had volunteered many times for our various running events - he was always dependable and helpful. Yesterday, I spoke with Pat Miller and also John Stephenson and learned more detail about his final days. He worked this year at H&R Block with my brother Jerry. My deepest sympathies, Bob Hart Anderson Road Runners Club

“ I was shocked to hear about Broc's untimely passing. I did not know him very long but I like everything about him. I worked with him at H& R Block. He was an first year tax preparer who was learning the ropes very well. We all will miss him. We pray for this family and friends. Jerry Hart Anderson,Indiana

“ To the family and friends of Broc our deepest sympathy, yet knowing Broc he went out exactly like he would want to. We went to school together and later in life played Industrial League Basketball together for many years. I ran with Broc in his first 5k race at the Muncie YMCA in 1984, typical of Broc he complained the entire race and then wanted to do it again. Some friendships survive absense and distance, my best memories of Broc will always be of the times we played one on one basketball in his parents back yard and afterward when I wanted a beer he would always drink milk. Great guy, the world is a lesser place without him.
