“ Michelle, I am so very sorry:- I can not imagine how you're feeling, I know I would not know how to be if I lost my Dad. Although, i do believe that no matter where he is or goes...he will always be with me and watching over me. I do believe your Dad will be doing the same. You know me and the lack of beliefs or whatever I don't have...but I sincerely believe that Dads will forever take care of their daughters. I don't think by saying this will make the pain any less, but try and enjoy all the good time and memories that you have of your Dad and family! I know how strong of a woman you are, but let Sean be your rock right now. If you need anything or anyone...you know how to get ahold of me. I love your face:-

“ Hall & I have known Carl & Cheryl for some 24 years as a result of their purchasing a little Quarter horse from us in the early 1990's. We spent quite a few summers riding at Brown County State park....eating, telling stories and just enjoying life. He was quite the "project" guy always improving his surroundings and helping neighbors. He will be rememered and missed.Hall & Sandy Branham
