“ Doug and I stayed friends for many years and worked together at KNIX radio in Phoenix and WFMS, Indianapolis.....I remember on a visit to Nashville for the annual Country Radio Seminar I spent time with Doug who had moved into the WSIX Program Director position. The studio's were right on Music Row and I remember near the historic RCA studio's where artists such as Elvis, Jim Reeves, Waylon Jennings, Charlie Pride and all the major RCA acts had recorded. I thought it was pretty cool that Doug had Garth Brooks home phone number, That's how close he had become with the Nashville acts and they respected him back. We spoke a couple of times in recent years but was unaware that he was ill. God bless you buddy and praying for the extended family as well. Jim West, Phoenix, Arizona

“ Loosing Doug was like loosing a Brother to me!! He and I talked every Sunday and had 99% of the time the same thoughts, laughs, and ideas that kept us going. We worked together, vacationed together, Hot Rodded together, and always made plans with each other. The "Horrible Disease of ALS" took him from us but did not win! As I told him with our last talk!! I will miss you, never forget you, and know we will be together down the road.
RIP Brother!! Luv. Artie

“ I met Doug around 1983 at KNIX Radio in Phoenix. I was a loyal listener and I was blessed to have been able to visit the on air staff at the station often. Anytime I spoke to Doug on the phone or in person, he always made me laugh. We stayed in touch as Doug moved around and a few years ago I found him on FaceBook. I still have Doug's press photo from KNIX in which he signed for me. My heart goes out to his family, especially Tammi. I never met Tammi but I felt as though I knew her from listening to Doug talk about her, he loved her so much. RIP Doug and I will see you again. Tracey McDaniel

“ I am thankful for the friendship I had with Doug for over 40 years...There are those God brings into our lives that are closer than some of our own family. It has been said that you can count true friends on one hand and for me, Doug was on the top two. See you again my brother! Lance.....

“ We are so sorry Aunt Lee, Tammi, and the rest of the family for your loss! Our prayers are with you at this time. I remember fun times playing at Lee and Virgil's when Doug was growing up! I didn't get to see Doug alot, as an adult, but when we did get to be together it was always a great reunion! Love to all! Kaye Strunk

“ My Cousin, Doug Baker and I had a special bond that developed at the funeral for our Grandma Baker. While waiting in line in the car to go to the cemetery Doug opened the door to the back seat of our car and got in and rode to the cemetery with me, and His Uncle Richard and Aunt Lakie Baker. Doug was a young boy then and he was quite grieved at the loss of our Grandma. I remember him embracing me and crying and we comforted each other on the way to the cemetery. Years later when Doug was an adult man, he told me how much that moment meant to him and the special bond it created between us. I will never forget that moment as long as I live. I was so glad that Doug cherished that moment in his memories as much as I did. It meant a lot to me. Over the years Doug would call and express love and concern for my Dad, his Uncle Richard, and that meant a lot to Dad too. It's hard to accept that he has left us, but I know we will be reunited again one day in Heaven. Love and Prayers to Aunt Lee, Tammi, Martha, Brenda and Cheryl and our entire extended family. Much love always and Dad and I wish we could be there with you today, but even though we cannot be there in person, you know we are there is spirit. Love Always, Janice L. Baker and William Richard Baker.
