“ My Sweet Babiie, My Super Girl, My Fighter, My Sweet Pea, My Angel. I lovee and miss youu soo much. Words cant even begin to explain how much youu mean to me and how much lovee and miss youu. Id give anything to have youu back in my arms again. Just thinking of you and looking at that beautiful face of yours kills me in so many unimagivable ways. My heart dies a thousand times. Id give my life to experience your birth again just to hear your cry. The short month youu graced me with wasn't enough. My selfishness wanted more time. Youu fought so hard for your lifee and enoughh was enoughh. Youu didnt deserve the pain youu endured and everything youu went though. Im sorry I couldn't save youu. It wasn't ment to be this way, it wasnt supposed to end likee this. I waa supposed help youu to watch youu grow to give youu your every need. I lovee youu morw then youu could imagine. My little youu we're tough as nails. I thank you for allowing me to be your mommie and allowing me to lovee youu. Thankk youu for your sweet looks and finger squeezes. Thankk youu for your bubble blowing and getting mad when i wiped them away. Thankk youu for the attitude when youu were over the nurses messing with youu. Thankk youu for all that are and everything youu would have been. I lovee youu. I loveed youu now I loves youu then and I will lovee youu forever. To the heavens and backk againn infinity and beyond forevermore.
