“ Oh where do I begin? Being a member of "Skel's gang" was an honor not everyone was given. We didn't plan it that way, it just happened. We all grew up together and oh the stories we could tell. I can still hear Jeff's silver Camero pulling off 38th Street into my neighborhood every morning when Dan and Jeff picked me up for school. God how he loved that car!!! I remember Sandy and Max having to tell all us kids "We are having date night on Friday, no kids allowed!!!" because their house was where we all gathered everyday. I don't know how they put up with us but they did. Sandy was the first "adult" I told when I was pregnant with Dan and I's son, Ryan. Jeffrey was always like a brother to me. Even though as we all grew up, we didn't spend as much time together...we will always be Skel's Gang
My love and prayers to Momma Sandy, Karen, the family and all my Skel's Gang brothers and sisters...may we all be reunited with Jeffrey when we get to heaven. I love you all

“ It was such an honor and privilege to be a life-long friend of Jeff McLain. He was such a kind person and a good man. We always tried to get together whenever I made a trip back to Anderson. He will be so deeply missed by many, and especially by those friends of Skel's Gang.

He definitely loved his sports and auto racing. The last few years, I've had the pleasure of spending many a night texting and talking on the phone with him about a lot of things - but mostly sports! I truly will miss our conversations.

I know he is an angel in Heaven, because he has earned his wings many times over here on Earth. Our thoughts and prayers are with his family.
