

John Bryant Bachman II

April 24, 1968 - May 10, 2022

John Bryant Bachman II, 54, Anderson, passed away on Tuesday, May 10, 2022.

He was born on April 24, 1968, in Cincinnati, Ohio. He graduated from Anderson High School in 1986.

John was an incredible person who never knew a stranger. He was quick with a story, a karaoke song, or a hug. He spent many happy days on the golf course or pouring drinks at the 1925 PubHouse. If you knew John, you always knew you were in for a good time. He was an avid basketball fan and loved cheering on his Boilers. Most of all, he loved spending time on his boat, on any lake, but especially Dale Hollow, with his wife. If you were with them, you knew you would catch an amazing sunset because he could always find just the right spot to get the perfect picture with the perfect song playing in the background. His laugh and smile will be forever missed.

John is survived by his wife, Kristin (Rust) Bachman; his mother, Betsey (Barnes) Bachman; his father, JB (Barbara) Bachman; his sister, Beth (Mike) Morris; Mara (Brandon) Austin; his mother-in-law, Linda (Mellon) Rust; his sister-in-law, Jen (Tae) Holland; his brother-in-law, Joe (Joy) Rust; his nieces, Taelynn Holland, Liana Morris, Rebecca Rust, and Eleanor Rust; his nephews, Corvin Holland and David Morris; and many dear family and friends.

He was preceded in death by his father-in-law, Larry Rust.

A celebration of John's life will be held on Sunday, May 15 at 1:00 P.M. at Loose Funeral Homes & Crematory, 200 W. 53rd Street, Anderson, with Rev. Corinne Boruff officiating. Visitation will be on Saturday, May 14 from 4-7 P.M. at the funeral home.

In lieu of flowers, donations can be made to the following charities First Tee (firsttee.org/donate/) or The Animal Protection League Inc., Indiana (www.inapl.org/donate), or The American Heart Association (www.heart.org/en/get-involve)

“ All of my memories of John are fun ones!
Him “tagging along” with Beth and I when she got her drivers license. Hanging out at their Mom’s 50th birthday party and literally hanging from the gym equipment in the rented space. When he visited Beth and I in Jacksonville and we had a pool diving contest. His hugs were awesome And who can forget his infamous Norm Held imitation! I could go on and on. Every where he went he lit up the room and now he is lighting up the sky. He will be sorely missed, especially when I come home and want to eat at Grandview. I wish I could have had one more hug.

“ There is no greater pain than to bury your child before you, or a loved one. I am so very sorry for your loss. I mostly remember John as that infectious laugh from the back of my parents van when we gave those crazy boys a ride home from some practice or game. Betsy, JB, Beth, your all were so kind to us as we were growing up. I hope that your memory of that laugh and all those special times push away that pain every day. You have every comfort today, and all condolences from the Reichart family. Sorry I can't be there. Karen (Reichart) Giorgi-Vigo

“ As Johns cuz (his word), I have known him all his life. My earliest memory is with he and his dad on the boat skiing. JB was trying to teach this youngin (me, Ed Vajner) to ski. I think either Betsey or Beth were in the water preparing to ski. JB “HIT IT” and lil' John came hurtling toward the rear of the boat, in the air, face first (he was maybe 2 or 3 so he was tiny). His forehead just above the bridge of his nose hit the metal molding of the motor housing leaving a gash and more blood than this youngin had ever seen in his life. And that my friends is how he received his first, and most visible, scar. Luv ya cuz, to the moon and back. See ya when it's my time.

“ Betsey, JB and Beth, I am devastated to hear this news and am sending up many many prayers.

I read your beautiful description of John, how he found beauty and spread joy throughout his life and I am not surprised! Our memories of John are of this adorable little boy with a smile that would light up the room, full of fun, even when he was a toddler! Do you remember him wandering up to Harriett and Roger's? We'd turn around and find him in the house with a cute little grin on his face - we loved it!!! I'm so happy to read that he never lost his adventuring and friendly spirit!

“ So, unsure if you remember me or not, my maiden name is Hooley – we used to be neighbors when my parents lived on Manor Rd. I am one of their three kids who loved playing with Dakota and just thought you guys were the coolest. Your other neighbors, the Trevaskis/Black fam, their daughter Hayley and I have always been close friends; you guys used to let us use your basketball hoop and we'd make up our own basketball games/rules. My childhood memories of living in Edgewood would not be same or as fun without you guys for neighbors. I just want to say that I am so, so sorry for your loss; and I know no words will ever truly comfort, but the world is for sure missing a bright light.

“ John and I first met in concert band when we attended North Side Middle School before we enrolled at AHS. Although he traded his alto sax for golf clubs, he had a kind spirit that I will truly miss. To his family, especially Kristen and Beth, may God comfort you and yours as you celebrate John's life. RIP, John.
