“ We have missed her these past months but know that she has received or new body and is able to worship her savior. She always brought joy to those around her. She was one of my favorite to pick on, the best part was that her quick wit and sharp mind.

The love she received from her children in the last months in her care was a true labor of love. They truly honored their mother in their actions.

“ I have such wonderful memories of Aunt Judy -- mostly how we would beg and beg until she did her Elvis dance!  
I loved how she and Ma/Gen would laugh together.  
We always enjoyed our visits to Indiana and visiting all of Ma's sisters, but Aunt Judy was the most fun. She made everything a good time.  
I had really been hoping for the past few years to get over to visit her. I'm sorry for myself that I missed that chance.  
I know she will be missed.  
Love and condolences to Roger, Larry, Darryl, Vicki, and Kim and all your families.
