“ Ralph, Bev, Susie and family~ We have been thinking about you all this week. Remember the happy times. I enjoyed Martha while being with Mother. Daddy had eye surgery this morning or I would have come to the service. You all were so faithful in your caring for her. The Lord bless & comfort you.

“ We have many wonderful memories of Martha (and Ralph). For 25 years we played cards, went on car trips to Southern Indiana, took boat rides and camped. Martha and I could talk our way through the guys taking an entire fishing trip. I believe the memory I treasure the most is from September 1993. Gerry and I had to admit Aaron to St John's because he was diagnosed with diabetes. In the late evening, I called to let Martha know. Within 15 minutes she and Ralph were in the room to check on us. That gesture was so full of friendship, caring and love. I will treasure it forever as I will my friendship with her. Pat and Gerry Griffin
