“ Dear Bertie and family, So sad to hear the news, but even though there is sadness no matter what, I can smile remembering all the fun and good times with you and your mom and dad. You are so lucky, to have had her with you for so long! She lived a good long life and was lucky to have a great daughter like you! Prayers for strength during this difficult time. Love to all, Angie and Dan and all our clan!

“ Dear Delberta: Carol and I are saddened about the passing of your mother. So many times we would see her and your father at the AAU basketball games that Brandon participated in along with our son Kyle. Reading her obituary, it is obvious that she led a meaningful life, had a beautiful family, and was a positive influence for the good of many, many people. God bless.
