“ I am just now finding out about this. Mindy was my step-sister at one time. I loved her. She was the big sister I never had. We had a lot of fun together. This was shocking. I wish someone would have contacted me. Mindy was a very special person with a good heart. I wish we could have spent more time together but life happens and time flies by. Sincere condolences to her friends and family.

“ Mindy was a good friend of mine at Central Jr. High. She could always make me laugh no matter how stressful things got. She was great fun! I haven't seen her in decades, but she has that same smile, and I recognized her instantly in her photo. I was so sorry to hear of her passing. My deepest sympathy to her family. You lost a gem!
