“ Dear Mona Fuller Fisher, When I saw Opal Fuller in the Obituaries, I thought the name and the picture were very familiar and if her daughter's name was Mona, I felt I had the correct people. What I remember is we lived aacross the street from each other on 4th and Ruddle Ave. We were quite young even though I don't remember how young If you could be the Mona I knew, please E-mail me back. Ellen Wigner Hooper Whether you are the Mona I used to know or not, I am sorry about your mother's death. This is not an easy thing to go thru.
