“ I was saddened to learn of Aunt Pauline's passing. Although I didn't get to spend a lot of time with her, when I recall the times I did enjoy with her she was always a very dear, sweet and gentle lady. She was always interested in who I was and wanted to know all about me. I really liked her, and I know my grandfather, John Robbins, always spoke highly of her as well. May your memories of her fill your hearts with joy as you grieve her passing.
