“ My Brother Rick Carter I can say that no matter how much we disagreed, or argued.
When ever there was a family emergency, or if I really ever needed my brother he
was always there. He was my protector now I have no brothers. Just know Rick that
you will always be in my heart and a piece of me went with me the day you died.. I
will never be the same, but know sis loves you and one day will see you again. It's
tearing me apart that I can not be there to say goodbye, but I know you understand
and are watching me from above. Til we meet again give me the strength to be
strong for everyone. I love you !!!
