

## Shirley A. Montgomery

July 1, 1934 - May 4, 2019

Shirley Anne Montgomery, 84, of Anderson, passed away on May 4, 2019. She was born on July 1, 1934 in Cleveland, Ohio, to Al and Mary Meyer. She grew up in Indianapolis, and graduated from St. Agnes High School in 1952.

She met and married Ken Montgomery in 1954 and moved to Auburn University to attend college where Ken was student. After Ken's graduation they lived in Montgomery, Alabama until moving to Anderson in 1959. After having nine children, she finished her college at Anderson University with a bachelor degree in 1975. She then completed two Masters degree programs from Ball State University, one in Interior Design and the second in Architecture. In 1978, she and her husband Ken opened their architecture and interior design firm, which operates to date as krM Architecture+ with offices in Anderson, Indianapolis, and Detroit. While semi-retired, she was still working in her discipline designing library interiors throughout the Midwest.

Shirley liked to paint. Her oil paintings, which won 1st prize in Anderson Art, are displayed throughout her home. She also wrote and published two books on Architecture. She taught Art History at Anderson University. In 2015, she and Ken received the Entrepreneurs of Madison County Award. In 2016 their architecture firm was awarded the Indiana State Achievement Award (which is not awarded every year). Shirley loved to read, travel, play golf, and snow ski, using her ability to teach her grandchildren how to ski. Shirley loved the slopes in Aspen and Snowmass, CO, which was their annual family winter vacation. She continued skiing until she was 77.

In the 84 years that Shirley spent on earth, it was her faith in God that gave her the strength to accomplish all of her successes.

Her true success in life was her nine children. Mike (Karla) Montgomery, Kathy Jell, Judy Ryan, David (Nancy) Montgomery, Andy (Debbie) Montgomery, John (Kathryn) Montgomery, Mary (John) Smith, Tom (Andrea) Montgomery, and Bill (Kim) Montgomery; 25 grandchildren, and 26 great-grandchildren. She is also survived by her sister, Judy

(Dave) Grissmer, and sister-in-law, Sheila (Lyle) Hiebert., along with 3 nieces and one nephew. Shirley was thankful for Facebook, the Internet, etc. which provided her the ability to keep up with her extended family and their activities.

She was preceded in death by her parents, Al and Mary Meyer; sister and brother-in-law, Ann (Doyle) Rein; and son-in-law, Tom Ryan.

“ Dear Montgomery Family,  
I do not know if I will be able to make it to calling today and wanted to express my sincere condolences for Shirley's passing. She was a special lady with great courage and a lot of stamina. Family meant everything to her and she told me often that she loved doing whatever she could for each and every one of them.

I always admired her determination in starting a new firm with Ken and laying the foundation for what is now one of the best architectural & interior design firms in the state. That took a lot of hard work and she did it along with caring for her growing family at the same time!

Shirley set an example for us all with her strength and endurance. No matter the setback (I remember when an eye surgery required her to lay face down for days) she bounced right back and kept on going, determined to not let anything get her down. She was living proof that you can accomplish much when you have faith and don't give up. I know she will be long remembered by all whose lives she touched.

With sincerest sympathy,

Lois A. Green
