“ From playground mischief at Forest Hills to baseball fun to managing Football and Basketball at AHS and of course everything in between, Terry was a great friend and person. Not to mention the pride we felt as a classmate of ours served our country as Terry chose to do. We are deeply sorry for his family's loss - may Terry Rest in Peace.

“ Terry was like a brother to me. We were raised on the same street as little ones and remained close throughout the years. Terry was an amazing guy and I will miss him dearly. Rest easy my brother.

“ My nephew Terry was a very intelligent and caring man. He would always come over for coffee and we would talk for hours. He would always bring up the fact that he loved his kids and grandchildren. I sure will miss him dearly. When he was in the hospital I spent a lot of time with him. I would set next to him and we would have interesting conversations about different things. I sure will miss having a coffee buddy coming over. I love you dearly Terry. ~ Aunt Vickie your coffee buddy

“ We loved you and you'll never be replaced in our hearts. First nephew that we helped spoiled a lot. I am sorry that we did not get to spend as much time together as we did when you was little but you always knew we were there when you needed us. I am so happy that the family you have with Kay it is everything you always wanted and more.
Now you get to live the life you always wanted no pain, no worries and with all the love ones that have went before you.

“ What a great guy. He was a quiet person that would help anyone that needed it. So sad to see him go at a time when it looked like your life was starting to go much better.
