“ Wayne is my grandfather and the greatest man Ive ever known. When I was a little girl my sister, cousins, and myself use to go to church on the weekends with grandpa and grandma. Grandpa use to clean the church and sometimes he would let us help him. I thought that was the coolest thing. He use to tell me when I was sick to heat up some doctor pepper in the microwave and that would make me feel better. I believed grandpa and I felt so much better lol.I also remember grandpas homemade bread and noodles! They were so good! Grandpa use to watch golf alot and riverdancing on the tv with me . What a great man he was. I will miss you grandpa and I will always love you. -Liz-
