“ When I was 12, we moved in next door to Mr and Mrs. DeWitt, irene, and Judy. When Margie, Don, and the kids came to their house, Judy introduced them ad Aunt and Uncle. That's what I called them. One night said that to Don and Margie said, "I didn't say you could call him that, who said you could?" I was embarrassed lol. Don't think I ever called him that again. Loved her a lot.
