

Alice Milley

October 3, 1941 - May 26, 2026

Alice Milley, 84, of Anderson, Indiana, passed away on May 26, 2026, at the Bethany Pointe Health Campus. She was born on October 3, 1941, in Everett, Massachusetts.

She was a tender and compassionate wife, mother, and grandmother who listened and loved unconditionally. Whether they were in high school, traveling, or at Bethany Pointe, Alice and Fred could be found holding hands.

Alice retired as the director of Technical Services and Computer Services at the Anderson Public Library, where she worked for over 30 years.

Books were an integral part of her life through working at the library, reading to her kids and grandkids, or cozying up with her mystery novels.

Travels most frequently took her to visit family across the United States, and she truly loved spending time in New England, France, Italy, and England. While traveling, she was an avid collector, seeking out antique fine porcelain and wooden tea caddies, as well as contemporary landscape and still life paintings.

Despite her quiet demeanor, Alice was a strategic card player and regularly

surprised her canasta opponents by going alone or going out concealed.

Alice is survived by her loving spouse of 63 years, Frederick Milley; children, Michael (Kendall Morgan) Milley, and Lisa (Nicholas) Evans; grandchildren, Thea Milley, Everett James Milley, Millie, and Mabyn Evans; several nieces and nephews, and many extended family members.

She was preceded in death by her parents, William and Myrtle Cooper, brother, William Cooper, and many beloved cats.

Visitation will be held on Saturday, June 13, 2026, from 1:00 pm - 3:00 pm at Loose Funeral Homes and Crematory, 200 West 53rd Street, Anderson, IN.

Memorial Contributions may be made to The Anderson Public Library or Paradigm Hospice in her memory.

“ *My condolences Fred. I enjoyed getting to know Alice through an Antiques Group. She was a gem. May you be comforted by your lifetime of sweet memories made together.*

*Sincerely,
Sharon Collins*

“ Alice was a great work colleague and friend. She was fairly quiet and unassuming, and had a heart of gold, but also knew how to have fun. It was so awful that she developed a progressive disease that robbed us all of her wit. She will always be remembered with a great deal of love. I'm glad that she is at rest and so sorry for Fred, Lisa, Michael, and the grandchildren.

“ Oh Auntie, please say hi to my Dad for me, i miss him so much. I have peace knowing you two have each other in the great unknown. Uncle Fred, thank you for my fond memories of getting picked up by my ears while Auntie Alice laughed and ordered you to put me down....thank you. Sending you all our love from Massachusetts to Indiana. I know some day we will all meet again. We love you. ❤️
