“ Steve, Tami, and family,
We were sorry to learn of the passing of both of your parents. They were both truly an example of how we are to love people and respect and cherish our spouse. Your Mother always had a way of making you feel like she was interested in you and what you were saying. They also had the gift of hospitality and flowed so well together. It was always fun to be in your home. May the Lord comfort you and your families through these days.
