

Amanda Rae Brooks

May 12, 1992 - August 23, 2021

Amanda's life was like a video game. Trying hard to beat each stage, all the while she was still collecting coins. Her passion for adventure and games ultimately gave her the greatest advantage to "level up" and make her great escape from this mortal realm. She was so compassionate and loving that she decided to use her "ultimate move" on her father. This special skill allowed him to move into the next life forever, side by side, where they both get to start their next adventure together.

Amanda had a kind soul. The type of soul that meshed well with everyone, she enjoyed all sorts of activities that included but weren't limited to: Art, Reading, Writing, Streaming, and Gaming. She had so many people in her life that loved her and that she loved as well.

Amanda will be remembered as a Twin. Sister, Daughter, Aunt, Streamer, Artist, Writer, Entertainer, and most importantly the World's Best Prankster!

In life, we loved you dearly, in death, we love you still. In our hearts, you hold a place no one else will ever fill.
