“ Mike, Donna, Rhonda, Family & Friends of Amy: I found the poem below and thought it was appropriate for this devastating time in your lives. Although I didn't know her well, please know that I admired Amy for her love of animals. We are all thinking of you. Please let us know if you need anything. We are right next door. Sincerely, Brandy, Pauletta & Rob Life is but a stopping place A pause in what?s to be A resting place along the road To sweet eternity. We all have different journeys, Different paths along the way, We all were meant to learn some things, But never meant to stay... Our destination is a place Far greater than we know. For some, the journey?s quicker, For some the journey?s slow. And when the journey finally ends, We?ll claim a great reward And find an everlasting peace, Together with the Lord. Author Unknown
