“ Amy and Ron were so loving to our three boys when we first met them. Their mother (our daughter) had just died and the boys became friends with Matt at school. They had the boys over and treated them as their own. The boys grew very close to them. They really loved Amy.

“ All through school-from little girls at Edgewood Elementary to college freshmen in the same dorm-to present day , I've been blessed to call Amy my friend! I will always remember her magnetic smile and infectious laugh! She was so funny and kind and beautiful! All of our “times” together are engraved upon my memory and she will remain in my heart as deep as it goes!

“ Any and I were friends at IU. We were on the same floor in the Briscoe dorm. We always had a blast and I was really bummed when she transferred to Ball State. I was fortunate to connect with her later through Facebook and reminisce about those times. Her smile and good cheer will never be forgotten!

“ I'm so saddened by the flame that went out, like a bright candle in our lives , full of love and laughter. She was a fighter against this awful disease that took her from us. I know we will all miss her.....I worked with Amy at Pippins years ago. We all got along , like family in our daily lives, sharing and working side by side.We laughed alot! I know you are home now with mom and the rest of the family, but know you hold a place in our hearts, that just knowing you brightened up our lives.....till we meet again.....

“ Our beautiful cousin Amy fought fiercely against cancer with her beautiful and unwavering Faith in our Lord, Jesus Christ and won her heavenly wings on Tuesday. To those of us who knew and loved her, she was already an Angel on earth. We have so many wonderful memories growing up together as cousins!! 💕💕💕
