“ *Andy was a cornerstone of the auxiliary at CHA for many years. I had the privilege of overseeing the work of the auxiliary as vp of the CHA Fndtn for over eight years. I could always count on Andy to do anything asked of her for the good of CHA. She had a smile for me and others everyday she served and a good word to share. The volunteer office was always aglow when Andy was there. She will be missed greatly and I count it a joy to have known and worked with Andy. Condolences to Doug and the family on your loss. “ *Andrea always wanted the best of everything for everyone. She brought a lot of joy to those who knew her, and she contributed so generously with her time. I know that she is deeply missed already by so many, and my sympathy goes out to all of her family and friends who loved her. I will always think of her when I see Mickey Mouse, a Snow Village, a gingerbread house, the color yellow, Scotcheroots and noodles, among other things. I feel certain that she got her wings on Christmas Eve.*
