“ Jo,

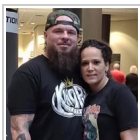

Jan and I are so saddened to hear that you have lost your son. We would have been there today to show our loving support but we are both sufferering from pneumonia. This is the third week so we could still be contagious

I know that sweet little Noodle has her grandma to care for her and hopefully the two of you can support each other through this difficult time

Please know that you have a special place in our heart. You made our time at Anderson training club more than a dog school. A place of friendship

Love you, sending hugs, Suzie and Jan (Koontz)
