“ *What a great brother-in-law that has been in my life for a very long time! We have been through a lot of great times! He help take care of my mother and treated her like she was his very own mother. She lived with my sister and Andy for about 17years. Andy we could of not ask for a better person to have helped with my mom always called her mom. He helped take care 2 of his grand kids since they were babies they never had to have a sitter. He was always around for his other grand kids whenever they needed him. His bucket list was: his faith, Vickie and the family is what he always lived for just being able to see them grow. What a person and is going to be missed so very much. Love You!*
