“ Dear family, I am so very sorry for your loss, I am a mommy who lost her son to Stillbirth at 33 1/2 weeks, Alex, I know your pain to well. Please know that you will one day be reunited with your sweet child. I have found it truly helps to talk to others that know this pain. It has been very healing for me. It may not seem like it now but in the future it may be something you want. I am here when you are ready. I have created a online support group also for women in the INdiana area. I hope you will join us and share your story and sweet child. They are great strong women on the group. Even if you chose not to join the group I would still liek to talk with you.
