“ Angie was awesome! Her and my dad dated for a while. I just don't even know how to really describe her. She was hilarious! She was always making me laugh and just made sure I was always having fun. It's really upsetting that she passed away but it was just her time to go to heaven. She will be greatly missed!

“ I want to send my deepest condolences to the family. Angie and I were inseparable in High School. I loved her eyes, her smile, her sense of humor. Time changed us both. I went my way and lost touch with her. I was just searching last week for her on different people finder sights. I am so sorry that I didn't find her. Theresa, Angie always admired you so much. Mr. and Mrs. White, I know that even in high school when kids didn't readily admit that they loved their parents, she did. My heart goes out to you all, her children, and those that Angie touched. It's cliché, but, she is at peace now, and her children will always have a guardian angel looking over them. With heart felt sadness, Angela
