

Angela Annette Chase

November 9, 1958 - February 24, 2026

Angela Annette “Angie” Curl Chase, 67, of Middletown, passed away on February 24, 2026, surrounded by the love of her family.

Born on November 9, 1958, in Muncie to Bill and Charlotte Curl, who preceded her in death, Angie carried a compassionate and caring spirit throughout her life. She attended Highland High School and later enjoyed her career working alongside friends at Medical Specialists of Madison County, where her warmth and dedication left a lasting impression.

On April 23, 1978, she married the love of her life, Cary Warren Chase. Cary and Angie shared the kind of love that defines true devotion. They were rarely apart outside of work, and their marriage was marked by thoughtfulness, deep respect, and selflessness. Their partnership was steady, loving, and inspiring to all who knew them.

Angie was a proud and loving mother to Justin Curtis (Jenny) of Anderson and Christopher Warren of Indianapolis. Jerami “JR” Summers held a special place in her heart and was loved as a son. She was a devoted grandmother to Aiden, Gavin (Sommer), Drew, and Allie. Her grandchildren were among her greatest joys.

She is also survived by her brother Dave (Patti); her brother-in-law Curt

(Debbie); and her nephews Doug (Amber), Brian (Amanda), and Jeremy (Sarah), along with many extended family members and dear friends.

Angie never met a stranger. She welcomed everyone with open arms, was nonjudgmental, and made people feel instantly at home. One of her greatest joys was sharing her flower garden, proudly walking visitors around the entire yard to admire what was in bloom. Simple moments meant everything - including family trips to Gene's for a root beer and hot dog, memories that will forever bring smiles.

Her heart extended far beyond her family. Angie devoted herself to rescuing and caring for stray and injured cats of all ages and sizes. She became the loving adoptive mom to Ghost, Dreamy, and Petey the second she spotted each of them at the Animal Protection League. She gave comfort, safety, and unconditional love to countless animals, never turning one away.

She loved roaming Indiana's county roads, exploring antique stores, markets, and festivals - sometimes searching for a special treasure, sometimes simply enjoying the adventure. She found happiness in good food, small discoveries, and time spent with those she loved.

The family extends their heartfelt love and appreciation to Dr. Mares, Dr. Bright, Dr. Molina, Dr. Whitten, and the entire ICU staff at St. Vincent Hospital for their compassionate care.

To honor Angie's memory, please donate generously to the Animal Protection League, the Madison County Humane Society, or your local animal rescue shelter.

Angie's legacy is one of deep love, fierce loyalty, generous hospitality, and boundless compassion. She leaves behind a family strengthened by her

example and a community better because of her kindness. She will be forever cherished and profoundly missed.

“ Angie has been the best sister in law to me! She loved family time together! Dave and I got to share that beautiful moment when Cary and Angie said I do! Angie was there when I went into early labor with Doug! We were there when she started labor for Chris! We had every Thanksgiving and Christmas together till we moved away! We gotten into some little mischief along the way that I still laugh about! And I will never forget every time we were together she would tell me: Patti you need a kitty! 🐱

Angie and Cary were neighbors long ago in the 80's in chesterfield . I lived across the street from them . She was always in a happy mood and caring about any stray that she knew about . I'm sad we didn't stay in touch after I left the area but I did think of her a lot . May God bless you Cary Curt and Chris !

“*Angie has been the most kind, beautiful, and caring mother in law to me, always loving my children as if they were her own. She was not only an incredible mom and grandma but also she was my friend- always wanting to show me her new plants and flowers all around the yard. She was funny, strong, an incredible cook, and a rescuer of any animal she saw that needed help, especially cats! I can't believe we are not going to be able to laugh together and enjoy the sunshine from the driveway this year. There were so many things I wanted us to do as a family. The world is less sunny now for all of us. I will miss you so so much Angie, til we see you again. I hope you are in the arms of Jesus, and that you get to enjoy flowers and sunshine and all the kitties that heaven can hold. I love you forever! Xoxo, Jenny*
