“ *When we relocated to Anderson in 1997, "Miss Anita" was our rock at Countryside Daycare. Both John and Catherine adored her and I always felt better knowing they were with Miss Anita. She would take John to kindergarten at Edgewood Elementary School in her "fancy van" John\'s description!. We will never forget her kindness to us all, and while she was an angel on earth, she is surely an angel in heaven now! Our deepest sympathies to her entire family.*
