“Dad and I took a trip in October 2022 that ended with us spending time with Aunt Ann in Anderson. We had a great visit and went out to eat at Cracker Barrel. I took a photo of Dad and Ann eating there, while we reminisced about old times and them growing up. They were raised in the Great Depression in dust bowl Oklahoma. Hearing some of their stories was so rewarding. Their generation had such terrific values and work ethic that will never be matched.
