“ *Mimsy, When we think of you Mimsy, the word 'FAMILY' comes to mind first, because that is where you always put them ...FIRST. You were brought up with a solid foundation and unbelievably caring parents. It is something that we will always admire when we think of you. Your family means the world to you. We also know that this will not be an easy test for you, however the other word that comes to mind when we think of you is 'Faith'... and that will get you through this tough time. You have a strong foundation which means your Father for the short time he was on earth, did his job. What a fabulous man! We love you and know that we will ALWAYS be here for you ALWAYS...like family. That is the way you made us feel, and we will never forget your trust, and faith you had in us. We smiled today after the shock of hearing the news about the silly stories you used to tell us about your Father and his persistence to help you, whether you needed it or not. Unfortunately, due to the short notice, it will not be possible to get to Indy in time for the Funeral, and that is something that we would have done without a second thought. You, Sarah and Scott and of course, your family, are in our prayers! Be strong like you always are, but know we are here. Love, Dean Wendy Dino Nicollette and Talia*

“ Sandy, Mark & Mimsy: I love you guys! We have both suffered a great loss these last couple months. I think about dad often and in many of those wonderful memories, there Tony is too. Like Mimsy said, they don't make em? like that any more. They don?t, and we were blessed to have such great fathers in our lives. I can live in the hope that today; right now both Doug and Tony are heaven having a great time just waiting on us. Again, we love you, see you soon.

“ Me and my families friendship goes back 30 plus years with Tony, Sandy, Mark and Mimsy. We all got to know eachother from attending the NMLRA matches at Friendship, In. Tony was one of the first persons we met there in the early 70's. I have many precious memories of spending quality time and conversation with Tony. I feel fortunate that I got to spend an evening listening to music in the Red Barn at Old Mill Campground with him and Sandy last June. I and my family offer our deepest sympathy to Tony's family. Losing this friend leaves a large hole in my heart. The Lord called 'pull' for Tony, and I'm sure he will score a '10' in Heaven.

“ *The Kimm Family wishes to express our deepest sympathy to the Bowman Family. They were neighbors to our folks on west ninth street for many years. We know that Mom felt especially safer with Tony & Sandy being ever vigilant. For those days, we would like to thank you. May the good Lord watch over your family and help you through your time of need.*
