“ I'm not sure where to start because he was truly a funny, loving, and caring man. My parents thought the world of him and Donna both. He could always make you laugh and he always had a come back for anything you said to him. He reminded me a lot of my own father and I think that's why they got along so good. He was hard working family man. He will be missed.

“ We have many fond memories of Doc and his family, camping, fishing, dining, a Florida trip or two, watching our kids grow, lending each other a hand now and then.

His humor and love is second to none.

Doc leaves ahead of us and will always be remembered with a smile.

May God comfort Donna and family.

With our love
