“ Arlie was the perfect example that there are people who care and there are good people. The gum man was his name. He would always tell me I was his special girl and give me a whole pack of gum. I never knew how much that would mean to me today. Love, Kayli

“ Please accept our sincerest sympathy in your recent loss. Arlie was a true servant of God. One will never know how many hearts and souls he has touched in his life time. Arlie was always a good friend to our aunt, Della Gaw. She always looked forward to his visits. I am sure that there was a very large welcoming party in heaven with all his friends. We also think a lot of his grand son Jimmy Lee. Please know that we care & that you're in our thoughts & prayers.

“ What a great neighbor the Richardson were while growing up on 9th street. I remember going to church throughout the years with Christy. I remember going to Delco with Lura and Christy to take Arlie his lunch. He always seemed to have a big smile on his face. I will keep all of you in my thoughts and prayers.

“ Debbie and family, My deepest sympathy at this time. I will always remember your Dad as the kindest man. And, it was always so nice of him to visit my Grandma in the nursing home in TN even though he didn't even know her, just that she was my Mom's Mother. I will be praying for you and your family during this difficult time. Debbie Gernand
