“ Pappy! You are one of a kind! You always had your own little ways of making things special! And I will never forget them! But you gave the greatest memories and gift of all! When you became one with Mom Linda and the kids! You showed them all you cared and loved them, and that you would always be there for them! You are the man they look up to and hold deep in their hearts. We will always love you and remember you! And I hope you and my dad meet in heaven! I love you and mom and my dad miss you all so much!
