“ Steve, I am so very sorry that I couldn't be there when your mother passed away. I was out of town and told about it later. I should have called and I regret it greatly now. Just know that I loved her very much and always thought so much of her. I love you too and hope that all is going well with you. Love, Jill

“ Here's to one of the best moms in the Forest Hills neighborhood. She was always there for us kids growing up. Athalie Williams, better known as Steve's mom, will be greatly missed and fondly remebered by all of us who knew her. May she rest in peace.
