“ *Austin was the problem kid that everyone loved. But the summer he and big brother Colin spent with us produced nothing but great memories. Family fun nights topped them all -- and overshadowed incidents like breaking into our house, trying to tame a black snake we found in a bush we were removing and falling into a fountain on a scorching hot day in Washington, D.C.*

Austin, I miss you even more than I love you!

I love the whole Grady Bunch and know you will rally around Darcy and little Olivia.

Wish I could be there to tell you in person.

Much love, Uncle Denny
