“ Miss Barb, you were amazing with the children at Valley Grove, you were so funny and even when I would run into you in the last couple years you would still stop and say hi and ask how my son was.

*My prayers are with your family and friends during this time, may God comfort them.*

“ I'm just sick my poor sister spending a month in a coma to come out with clear lungs, then going to a nursing home and loose her life to the coronavirus. Barbara I'm so sorry and to each of your kids and poor Rex who is suffering right now. Lord only knows we had our fun and laughs, you were a hoot, we could get into some trouble. I will miss you even though we didn't talk like we use to! I still love you, your sister Jeannie! I know it's Jean!

“ It so hard to believe she’s gone. We had just spoke last Monday. This woman will be dearly missed not only by family and co-workers but hundreds of Valley Grove students over the years she worked there. Miss Barb is what they called her and she loved taking care of those kids. And they loved her! It was a privilege to work with her and her lively personality! My heart goes out to all of her family during this difficult time. Cherish those memories you all made together!💜

“ There was no one sassier then Barb! I loved her dearly! I remember when she worked at Harvest and as soon as we hit the front door Brandon would be yelling her name “Barb you got my cookie” and she would be behind the counter waving it and laughing with the biggest smile! And all the many camping trips!! Forever in our hearts💜💜
