I have so many wonderful memories with you, that is something that no one will ever be able to take away from me. “ Momma I have an overwhelming sense of joy and love in my heart when thinking about you. I almost said that it was stronger than before you passed but I got to say I have had this feeling my entire life concerning your presence in it. I know I am also saying your spirit is still strong and present in my life. I see you everywhere and in every family member and friend that has known your grace. Love your son Jim. :
