“ Lee Ann and Family, My deepest sympathy at your loss. We were in Florida when my Mom called and told me about your Mother. Your Mother lived in Meadowbrook Manor with my Mom for a while after both our fathers passed away. It's been a long time since we've seen each other, but time will never sever the bonds we formed so long ago in high school. I can only imagine the void you feel, and sincerely offer my deepest sympathy and prayers. Lissa & Duane Julius

“ We are very saddened by the passing of Barbara. She and Bob lived across the street from us for several years and they were the very best of neighbors. We lost track of her after we both moved away from that corner. Although I would think now and then over the years that we should look her up for a visit, we never did and I do regret that. Barbara was a very fine and beautiful person, and we will miss her even more now. Deepest sympathy to her family.
