“ *Becky, I really don't know how to say what I need to. I guess at times like these maybe its best to say "I'll remember her with a smile, because she was a special person." For years your family was like a second one to me. Your parents never made me feel like a guest, I was just another one of the kids. I really can't know how you and Gay are feeling, but I remember what it was like for me when i lost my mom, and I am so very sorry for your loss. I WILL always remember your mom with a smile. I can't be there tomorrow, but my thoughts and prayers are with you. Love you, LouAnn*
