“ Rod, Beth and Brea, please know that I am holding you up to the Light of the Lord for your comfort and your strength at this time. Rod, I lost my Mother in 2003 and believe me when I say that the only healing power is the grace of God and time itself. Please find comfort in knowing that others are holding you tight and praying for you constantly. All of you take care of each other and yourself, especially at this time, Rod. I know that you know, without a doubt, that your Mother is in a much better place now and has no health issues whatsoever. Please find comfort in that as well, Dear. Feel as I know you through Beth, but hope we get to meet sooner than later. From everything she told me you were and still are an awesome son to your Mother, Rodney.
