“ My heart goes out to Arnie and the rest of the family. You have truly lost an angel. She was the sweetest and kindest person I have ever met. She had the best smile ever. She was a precious soul. This world will be a little darker because of losing her, but heaven is rejoicing. My sympathy and love goes out to all of you. Cindy Wolf

“ To all of Bobbies family, I wanted to say how sorry I am for your loss. I was introduced to this precious angel years ago. We lost contact over the years, but then was brought back together a few years ago. She became my neighbor. But she didnt just become my neighbor she became the very best friend of mine in all of the world. I have never met a kinder soul then her. I feel blessed to have known and to have been loved by an angel. I know she is in heaven, dancing up a storm with Granny. I feel truly blessed to have known her. I will never forget the friendship we had. Thank you Bobby, for being such a wonderful friend. I love you!

“ I am sorry for your loss, Arnie. I know she is in a better place now with a new body and spirit. She was so young when our dad married my mom, but I remember her that way.
