“ Way back around 1962, or before, I was playing with some young boys at the trailer park. We were playing Rescue 8 on our bicycles. A couple of us "crashed" and the others came to our rescue. Barbara came out to see if anyone was hurt. After she saw we were all OK and just playing she laughed and told us to enjoy ourselves. Barbara was always very nice and I had great respect for her. Sorry for your loss.
