“ To all of you, I am so sorry for your loss. I hope that Barb is in a better place, happy and healthy and running with Truman. I miss them both, and am very very thankful for all of the years at Thanksgiving that you all welcomed me into your home to be with a "real" family. My deepest sorrows for your loss.

“ Barb "Mom" Roberts and her family are very special to us. We loved caring for her and always looked forward to her office visits. Even though her physical body was in miserable shape, her spirit was always loving and cheerful. She will be sorely missed. We wish to convey our deepest sympathy to her family in their time of loss.
