“ Barb and I were best friends. I loved her so much and we had lots of fun. We both met at Anderson Banking Co - North Branch where we all enjoyed working there together at that time. Of course life changes and we left banking but we remained friends. She would come to my house and we made greeting cards and gift bags which we sold at Pendleton, In and Ft. Wayne, In.

Best friends share and she shared many things with me, sometimes we would laugh and sometimes we would cry. I know her health had been failing and of course we do not like getting older but her spirit was loving and kind and always thinking of her family. Mike and Brad I want you to know how much she loved you, her whole family was important to her. I have a lot of good memories and I know you do too so think of all those wonderful times. We had good talks about God and because God is loving, merciful, and kind, I only hope she is looking down on us now and smiling knowing we are all going to be ok.

Love you Barbie,

Diane,

Thank you for your kind words during this difficult time. I remember how proud she was with the cards that the two of you created together. I am sure there was never a dull moment for the two of you as you were cutting, folding, stamping and glueing.

Your gift of friendship meant a great deal to her, Every time I heard you call her Barbie it made me happy because it showed me she had had found a genuine friend you.

*Warm Regards
Brad*
