“ *I could always count on receiving a birthday card by snail mail from Barb even when everyone else went electronic to send birthday wishes. Sometimes the card would even have a little something in it like a tea bag. We will miss her, but do know that she will be an angel watching over all of her loved ones near and far.*
Cry your tears of sorrow and joy as you remember all of the great times you had with her!!

Love from Hartsburg....Brad, Kathy, Justin and Amanda!
